

# Beers, Ciders and Seltzers

Oregon is known as a beer drinkers paradise. As an independent hotel, we understand the challenges that small, independent businesses face. To show our support, our beer list is completely made up of Oregon producers. We've sourced some well recognized names, along with some hidden gems, covering a wide spectrum of tastes and styles. If beer isn't your thing, check out our selection of hard ciders and seltzers, all made in Oregon too.

**Cheers!**

## Oregon Craft Beers

### Summer Seasonal Beer

#### Sunriver Brewing Co.—Fuzztail Hefeweizen

A wheat beer that is light, refreshing, and perfect for summer. With a cloudy appearance, a distinct banana and clove aroma, a low alcohol content and a crisp, clean finish makes this a great beer for those hot summer days.
